Federal: ACE, BLM, DOD, NPS, USBR, USFS & USFWS.
 Non-federal: cities, counties, ports, utilities, non-profits and tribes.
 Share of federal is the percentage of the state's total federal land, campgrounds or water access in the district.
 Water access sites include fishing access points, boat launches and beaches, plus other recreation facilities with water access.

Data from the Northwest Portal's data set of Washington State recreation.
